## Fontaine Pajot Alegria 67 (2021)

Su enorme flybridge, verdadera terraza con vistas al mar y su cockpit delantero capaz de acoger un jacuzzi, apuntan hacia un nivel de confort y servicio digno de las mayores residencias de lujo. Le ofrecemos tres versiones:

- Propietario con una suite excepcional en uno de los dos cascos
- Lounge, con la cocina diseñada en la pasarela para dedicar completamente la cabina a la acogida y a la relajación.
- Una tercera versión en la que los numerosos camarotes idénticos, con baños, y el espacio para la tripulación, responderán a necesidades específicas.
