Azimut S10 (2020)

Ubicado en las Nassau, Bahamas. Este barco fue usado para exponerse en el Dubai Boat Show, tiene solamente 6 meses de haberse construido.

Detalles

Over €200k of warranty works have been completed on her by Azimut, fixing build issues which happen on any large new build

We have replaced Anchors, chains, generator parts etc, which were initially found not to be adequate for a 28m yacht

We have installed a 110/240v Converter within the engine room, together with a Glendinning system, so seamless connection to shore power

The boat is currently in Nassau, Bahamas, so more accessible for viewing and will save on transportation if using in Mexican Gulf

Exterior: Teak on flybridge. Automatic system (hydraulic) for side boarding gates. Bathing stepladder for garage door (hydraulic version). Bimini in cockpit (only compatible with "automatic system for side boarding gates"). Electric searchlight. Hauling/launching system for tender in garage. Luxury lighting package for exteriors. Refrigerator in cockpit. Shore water plug. Shore water plug on bow. Sun shade sail on bow with removable poles. Sun shade sail on flybridge with removable poles. Underwater lights Oceanled (n.4 in total, n.2 for each side). Underwater lights Oceanled on transom (n.4).

Interior: Bidet in master cabin. Dumbwaiter in galley. Safe in master cabin.

Appliances: Additional fridge in crew area. Miele Appliances (upgrade for oven and cooktop). Washer and dryer in crew area (two separate units). Winecooler in salon.

Electronics: Panasonic cameras (nr. 4). Simrad AIS. Simrad Platinum package.

Video/TV/Hi-fi: Predisposition for SAT antenna.
