Pershing 70 (2016)

Ubicado en Miami, Florida, EUA. Sus opciones incluyen propulsores de proa y popa, luces U / W, potabilizadora, licuadora Aquascan, alarma fantasma, TV vía satélite, lavadora / secadora, parrilla y más... Con solo 560 horas en los motores T-MTU de 1623 HP, el barco ha sido mayormente utilizado Florida con viajes ocasionales a las Bahamas. Tiene un aspecto especial y presenta una de las combinaciones de pintura de fábrica más bonitas de Pershing, un casco blanco metálico con alas superiores y laterales metálicas color carbón.
